## BERETTA AUSTRALIA – CURRAWONG LAKES

Beretta Australia and Currawong Lakes are proud to announce a joint venture promotional partnership to foster and provide a unique opportunity to their respective clients.

The synergies that can be found between both companies, in philosophy and character are uncanny. Both having similar goals in striving to promote hunting, shooting and firearms in general in the best tradition possible, and provide a service to their customers at a level unequalled by others in their respective fields.

This alliance will see clients afforded the opportunity to use a diverse range of fine Beretta firearms during their visit to Currawong Lakes and allow Beretta Australia's clients the chance to sample the fantastic shooting and service at Currawong Lakes.
