

Currawong Lakes Wingshooting

Rob Nioa took a group of shooters to Currawong Lakes Game Reserve in August 2009 for a weekend of wingshooting which included pheasant, partridge and bobwhite quail. The group was treated to wonderful but challenging bird presentations and were skilfully guided by the resident gundogs and game keeping staff. Nights were spent in well appointed lodges around a roaring fire with 5 star dining and good company. Rob reports that Currawong Lakes is a high class shoot that is the equal of any of the best shoots around the world. For more information go to www.troutfishtasmania.com.au
